

**THE A. J. MEYER AND SONS  
FEMALE PRODUCTION SALE**

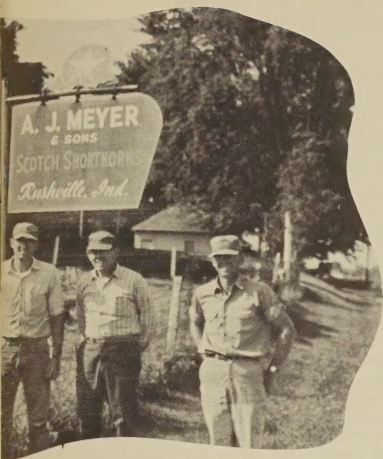

**RUSHVILLE, INDIANA**

**Saturday, September 19, 1970**

# WELCOME TO OUR FIRST SALE

The Meyer brothers welcome you to the sale. From left are, Ed, Jim and Don.

All the folks connected with Meyerway Farm invite you to our first Production Sale. We have tried to make this an outstanding offering. Very few females have ever been sold from the herd. We have always thought it best to cull the ones we didn't want, than to sell them to other breeders. Our bull business has been very good and we just did not have any older bulls to include with the offering. There

are a number of calves selling with their dams, however, and this includes our first bull calves by both Glamis Benefactor and Glatwyn Regime x.

We have invited two of our good friends and noted Shorthorn breeders to sell with us. Wilsona Farm, Greenfield, Indiana, and Cecil Steinmetz, Fowler, Indiana, are both known for quality Shorthorns and have been at the forefront of their breed for many years. It is to our advantage that they are taking part in this sale.

It will be our pleasure to have you attend. We look forward to seeing old friends as well as meeting new breeders.

Westmere Perfect was used in the Meyer herd for a number of years. He weighed over a ton and was out of a great cow. She is pictured on page 15 of this catalog. His influence on this sale offering is great.

## A Brief History of the Meyer Herd

In 1933 the first registered Shorthorn came to Meyerway. She responded with twin heifers and since then we have added only the best females to the herd.

Some of the stock bulls in recent years have been Ashbourne Randolph by Sni-Bar Randolph; Elcona Grand Leader 4th by Edellyn Royal Leader 22nd and Ashbourne Advocate by Drummondreach Advocate, who sired steer champions all over the state.

Next came the big bulls, Kickapoo Victorious by Bapton Majestic, whose daughter will be in the sale and Westmere Perfect, a show bull in his own right. His sons and daughters have continued to add to his credit. We are real proud of the daughters we have in the herd.

With Perfect daughters coming to breeding age we were successful in buying Glen Cove Bangle by Louada Nugget. He is still here and has made his mark in the show ring and in the daughters in the herd.

The past two years have been a bonanza for us in being able to acquire Glamis Benefactor and the first Polled bull in the herd, Glatwyn Regime x. You will be able to see Regime on sale day. We are real proud of this pair of bulls.

This sale offering is really the history of the herd as most of cattle have been raised on the farm. Every animal selling is sound and useful to the new owners. At Meyerway a bad legged animal is never spared the trip to the yards.

All of these tremendous females sell in this sale.

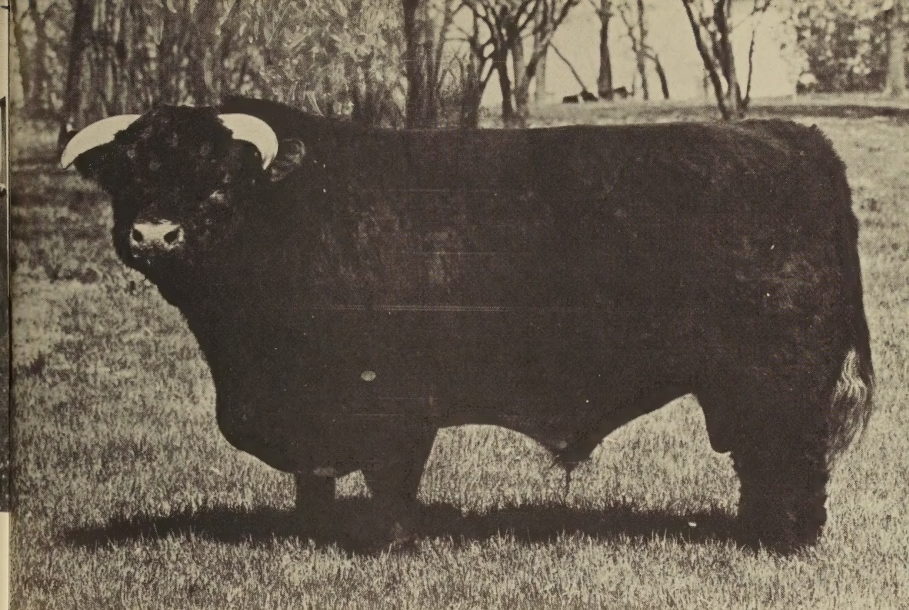

### **from the sale manager . . .**

The backbone of the breed are such herds as A. J. Meyer and Sons. They have bred Shorthorns since 1933 . . . they have always used the best bulls they could find . . . they have always retained their best females and followed a rigid culling program on the rest. Today the herd is in its strongest position ever, headed by the best bulls available. The world famous Glamis Benefactor and Glatwyn Regime x bring the best of both branches of the breed into the herd.

The record of these two bulls alone is enough to encourage you to attend this sale. However, remember this is the first sale for the Meyer herd and they have held nothing back. Their very foundation cow families, ones that have never been offered from the herd before, are in this sale. The first calves by Benefactor and Regime are selling. They have invited two of the state's strongest and most respected herds, the Wilson's and the Steinmetz's, to sell with them.

Make your plans now to attend. Support the kind of sale that is the grassroots of your business.
